4. Program Reports
   a. Early Education Programs: A. Cox reviewed the Early Education Report and provided an update of the CHIME Infant and Toddler and Preschool Programs as follows:

   (1) Infant and Toddler Program Update: We are now one year since the changes in the eligibility for Early Start (birth to 3) program went into effect resulting into an expansion of
the eligibility criteria for infants and toddlers with special needs. The CHIME Infant and Toddler Center-Based Program has seen an increase in referrals. We currently have 17 toddlers and families enrolled in the program. The program continues to be unique in its educational approach with teachers with credentials and Masters degrees working alongside licensed therapists.

(2) Update on Legislation: Support for California budget considerations for people with developmental disabilities does not seem to be a priority. Reimbursements rates for service providers have been frozen since 1996. Recent efforts to secure a 10% increase have been rejected. Further advocacy is needed to support this important issue.

(3) Grant Received: A grant proposal to the Mara W. Breech Foundation was submitted and we received $12,000.

(4) NPA Certification: The 2016 Preschool NPA Certification for CHIME’s Preschool Inclusion Program submitted to the California Department of Education has been completed and approved.

(5) NPA Contract: LAUSD has awarded us a mid-year rate increase in our hourly rate for NPA services.

(6) Transition to Kindergarten: We are starting the process of transition for the students who will be starting kindergarten next school year. The CHIME Early Education Committee supported exploring the possibility of some preference be allowed for CHIME Preschool students to enroll into CHIME Charter School. E. Studer forwarded the request to LAUSD and we will wait for their response.

b. Charter School: E. Studer distributed and reviewed the Charter School report as follows:

(1) Academics: One of the areas of emphasis during CHIME’s LAUSD oversight visit and additional requests for information pertained to our subgroup performance. A breakdown of subgroup performance on recent CST and SBAC scores collated by CHIME staff was presented and included in this report.

(2) Temporary Teacher Assignment: In compliance with NCLB and CTC requirements staff requests that an approval for a Temporary Teacher Assignment declaration of need be approved and filed with the CTC for assigning teachers to areas of need.

M/S/P (J. Mark/L. Koh) Motion to approve temporary teacher assignments for CHIME Charter School.

VOTE

Yeses: Todd Hacker, Michele Haney, Lawrence Koh, Joshua Mark, Traci Myman and Marc Polansky.

No’s: None

Abstentions: None.
(3) NCLB Compliance Matrix: The Certificate of Compliance needs Board signatures by March 2016. The document will be available in the Charter School Principal’s Office for review and signatures. In addition, it will be emailed to Board members.

(4) Safety: CHIME principals attended an emergency response preparedness training provided by LAUSD on January 20th, 2016. They will be sharing the valuable information with CHIME’s Safety Committee and implanting appropriate new practices and protocols.

(5) Charter Renewal: The district requested additional items in reference to our renewal as well as additional time in which to review them. Our renewal vote before the board is now scheduled for March 8th.
