B. The Charter School Report was submitted and presented as following:

1. Enrollment:
The Charter School currently has 789 students enrolled.

2. Financials
Current financials are presented for review in the Board packet prepared by staff and ExEd. Some of the expenses include higher amounts for legal fees, consultants, and benefits.

3. Annual Audit
The CHIME Institute Annual Audit was completed on time per state regulation and submitted to Los Angeles County Office of Education and Los Angeles Unified School District. A copy has also been distributed electronically to the CHIME Board Members. The report was submitted and further discussion will be addressed by the Board at the February 4th Board meeting.

4. Playground project
The OEHS inspection revealed some small issues with ramp elevations and proper installation of some of the sensory components of the equipment. These have been remediated by the contractor. An inspection has been scheduled for 1/7/2020. We are hopeful this inspection will be successful and the playground will be released to the school.

5. Middle School Science teacher
The Middle School Science teacher position for grades 6 and 7 has been filled by short and long term substitute teachers since August 19th, 2019. CHIME had advertised since the beginning of the year and did not receive and application from a qualified candidate. Given the long term sub filling the role, Mr. Meyer, was not a long term solution to filling the vacancy, CHIME has offered Max Epstein—a fully credentialed English teacher who has previously worked as a paraprofessional and student taught at CHIME the role of Middle School Science teacher on the condition of receiving a Limited Assignment Permit. Mr. Epstein will pursue adding the Middle School Science authorization this spring and has expressed a sincere desire to join our Middle School staff long term in this role.

M/S/P Motion (M. Aguilar/M. Rinnert) to approve a Limited Assignment Permit for Max Epstein for the assignment of Middle School Science teacher for the 2019-20 school year.
